

New Beach Rules to begin June 20, 2020

All ILCC members must have a **2020-2021 badge** on them at all times!

If you are not feeling well, have a **fever**, or have any virus-related symptoms, stay home!

Beach Rules:

1. Social distancing rules will be in effect for seating, standing, and swimming. Spacing of at least 6 feet is mandatory at all times
2. Each beach will have designated seating areas (8'x8') for family members to sit on beach together. These areas will be marked with colored flags and we ask each family to leave the flags in the position they were when you arrived. There will be 6 feet of spacing in all directions around each seating area. We have a total of 94 seating areas between the 3 beaches
3. Beaches will be open daily from 10am-7pm. Each morning at 10am the lifeguards will check all member's badges at their table. Members should line up in a socially distant line and wait to be checked. No one can claim a seating area before 10am. This is to allow everyone an opportunity to get a spot. If the beach you want to use is full, lifeguards will call to the other beaches to obtain availability and you will be able to go there
4. Only beachgoers and sunbathers from the same household may cluster together. All others must remain at least 6 feet apart
5. All children under the age of 13 must be accompanied by a parent at all times.
6. There will be NO floating dock at the dive beach until further notice
7. There will be NO picnic tables available at any of the beaches until further notice
8. There will be NO diving boards until further notice
9. There will be NO guests allowed until further notice. This is to allow all members an opportunity to get a seating area on the beaches. We will reexamine this policy once we get a feel for what availability looks like on a daily basis

Restrictions on Gatherings:

10. The playground, basketball courts, and horseshoe pits will remain closed until further notice
11. The clubhouse will remain closed until further notice
12. No outdoor gatherings of more than 25 people allowed on any club property, **Social Distancing guidelines still apply and masks are encouraged**

Bathroom Rules:

13. No more than one person in each bathroom at any time (not counting adults with young children)
14. Members must wait outside while waiting for the bathroom. Members are encouraged to use the hand sanitizer dispensers when going in and out of the bathrooms
15. Bathrooms will be professionally cleaned prior to opening each day. We ask all members to help by keeping areas clean after each use during the day
16. Once every 28 days, starting June 14th, we will have each bathroom professionally disinfected with an antimicrobial disinfectant. This will be done by a professional company currently being used by the Township of Denville

Boating & Fishing:

17. All those fishing on shoreline must remain at least 6 feet away from others
18. Boating is permitted, but tying up boats together is not permitted – complete ILCC Boating Regulations can be found online: www.indianlakenj.com/boating

NOTE: Rules subject to change based on state and local guidelines

Let's All Do Our Part to Keep Each Other Safe as we Enjoy Indian Lake Together!
